12:45-1:30 Lunch

1:45 PM Introductions

2:00 Session #1: The Big Story- 10,000 years

This sessions shows God's providential care of His world with emphasis on major events occurring at 500-year intervals starting with the flood. We now live at the latest "500 year period." Expect great things. The session reveals why it is near impossible to understand our time if we don't understand the "big story." It also reveals why the Church should be optimistic for victory in troubling days.

2:50 Break 10 Minutes

3:00 Q&A 10 Minutes

3:10 Session #2: America's Story of Life and Education- 400 years

This presentation shows the six key eras of American development over the past 240 years and reveals five critical cultural aspects for each era with emphasis on educational philosophy and practices: 1) Period of Time, 2) Character of the People, 3) What is Real, 4) How we Know What we Know and 5) Demonstration of the Good Life.

4:00 Q&A 15 minutes

4:15 Session #3: The Worldview Shift of Youth- 30 years

The worldview shift of youth over the past 30 years has been dramatic. In this presentation an explanation for why the abandonment of the Christian faith by youth is a logical outcome. The session will also explore the hope that yet remains as Church leadership actually leads in a reversal of world views through schooling.

5:00 Q&A 45 minutes
